

The Arthur Findlay College

Course 37b
Foundations for Spirit

Saturday 21st September - 28th September 2019

Course organiser : Minister Irene McGilvray
Tutors : Sally Barnes CSNU, Irene McGilvray

Your Spiritual growth and understanding as an individual is about wholeness; mind, spirit and body therefore evolvment in both your personal spirituality and knowledge of Spirit is required in the stimulation and strengthening of those individual qualities of true self. Equipped with this knowledge and awareness you unlock the door to the power of YOU and your mind, therefore easing and strengthening the 'Foundation for Spirit' in this important step where Spirit work with you at various stages in your path of development both psychically and mediumistically.

An opportunity to explore, discover and strengthen YOU and your connection to Spirit , advancing the qualities of true self, awareness and **connection to spirit** in your ever evolving journey.....

This course offers an immensely personal journey of soul, empowerment, and the all important spiritual growth of daily life necessary in contributing to knowledge/ability already known, and the goal of enhancing/advancing your development psychically and mediumistically in your work for Spirit through the altered states.

Course work. an array of; , psychic awareness, mental mediumship, awareness of energies, trance levels, understanding you and therefore spirit, unfoldment through colour, music, literature, meditations, group work, tutorials, lectures and more.

'The Human Mind Has The Potential For Infinite development'
Lama Thubten Yeshe
